Performers

Mantra Bhajan Group of Sri Vidya Temple, Rochester, NY.

The group was formed at the Sri Vidya Temple by its founder, Sri Chaithanyananda (Aiya). The style of singing is a rich and unique blend of Mantra recitation & bhajan singing in the Karnatic, Sastriya and Kawali style.

When all the participants in a bhajan sing in unison, what sacred vibrations are produced and what Divine energies are released! When these vibrations fill the world, what changes cannot they bring about! When one sings alone, the heart is merged in the song. But when many sing together, it acquires a Divine power.

- Sai Baba

"Wherever my glory is sung, I manifest myself "
